Accountancy Overview
for PLM Managers

Version 2.0

26 May 2015

Document Revision Status

This document was first released at Version 1.0 as the ***Q1 2013 PLM Journal*** on 11 September 2013.

Version 1.0 was the first presentation of the subject, as generated by the *PLM Financial Framework* initiative. It was intended to be the *Financial Systems Appreciation* instalment of an evolving *PLM Manager's Handbook*.

This document was re-released at Version 2.0 as the ***Accountancy Overview for PLM Managers*** on 26 May 2015.

Version 2.0 has been restructured as a stand-alone document. Section headings have been added, and references to the *PLM Manager's Handbook* have been removed.
